You can return most of the new and unopened items fulfilled by Amazon AU within 30 days of receipt of delivery to replace or refund the price you paid for the item if you change your mind – see about replacements and refunds. In some cases, the nature of the item means that it is not returnable, for example due to hygiene/health and personal care/well-being/consumable nature of the product. In some circumstances, these items may be eligible for a refund or replacement (for example, if you receive the wrong item due to an Amazon Au error or if the item is defective). Contact us and find out about items that cannot be returned. New electronic items fulfilled by Amazon Au can be returned for the change of mind, for a replacement or a full refund of the purchase cost of the item within 30 days of receipt of delivery. Unless otherwise specified, the original shipping fees for the return change of mind are not refunded. This return of mind policy is added and does not affect your rights under Australian consumer law, including any rights you may have in relation to defective items. To return defective items, please refer to our Returning Defective Items policy. For items ordered on Amazon.com.au from a seller who answers and sends their own inventory (also called a third party seller), any returns will be in accordance with the return policy established by that seller (not Amazon Au returns policies). Please refer to the returns and refunds market for details on the seller's return policies. See our Amazon Global Store returns policy and refunds for more information on returning Amazon Global Store items.
